

STACEY CURRIE | KEYNOTE SPEAKER

UNLEASH YOUR INNER COURAGE

Courageous decisions change everything.

“ Most people don't need more motivation.
They need a circuit breaker.

Only 9% of people make real, lasting change.
The rest wait... and waste their dash. ”

WHO STACEY IS

(AND WHY PEOPLE LISTEN)

ONE KEYNOTE. THREE DISRUPTIVE STRATEGIES

In her keynote, Stacey shares battle-tested strategies drawn from lived experience to help people break free from fear, challenge their baseline, and take courageous action.

ACT GREATER THAN YOU FEEL

Confidence follows action, not the other way around. Stacey teaches how to move forward even when you don't feel ready and turn fear into fuel.

TWO CHOICES

Every day presents two options: stay in the familiar or choose growth. Stacey shows how small, conscious decisions create extraordinary change.

DO YOU

Stop living for other people's opinions. Owning your voice transforms decisions, behaviour, and your future.

WHAT AUDIENCES WALK AWAY WITH

- ✓ Courage to decide instead of overthinking
- ✓ Ownership over their choices, energy, and actions
- ✓ Tools to break free from autopilot thinking
- ✓ Resilience when pressure and change hit
- ✓ Momentum that actually sticks

STEP INTO ACTION
